I'm happy because my dream has come true.

【Mika】

Nice to meet you. My name is Mika. I'm a doctor. When I was a junior high school student, I read a book about a great doctor. She was very kind and worked hard to save people in a poor country. I wanted to be like her. Now, I work as a doctor in a small village in the same country. I can't see my family or friends very often, but I love my job.
