Hi, everyone. Today I'll talk about my family. My father works at his own bookstore. He is forty-three years old. He likes reading and knows many things. My mother is a doctor, and she helps many sick people. She is forty-five years old. She loves cooking. She sometimes teaches me how to cook. I live with my grandfather and grandmother, too. They are seventy years old. They usually help my father at his bookstore. My grandfather likes going fishing, and my grandmother loves visiting many places with her friends. All my family enjoy both their work and their free time.

繰り返します。

3番の問題に移ります。これから、ALTのGreen先生の退任式で、中学校の生徒会長Akiが行ったスピーチが流れます。それに続いて、その内容について、No.1～No.3の3つの質問が流れます。それぞれの質問に対する答えを、ア～エの中から選びなさい。では、始めます。

Mr. Green, thank you very much for everything you did for us. We really enjoyed your classes. The English songs and games in your classes were fun. But I liked learning about Australia the best. You told us about many nice places in your country. I would like to visit them in the future. Also, you often played basketball with our team after school. You played it very well! When we were practicing basketball, I had a chance to talk with you in English. I wanted to ask you more questions about basketball, so I started to study English hard. You've told us that you will start to work as a music teacher at a junior high school in your country. Good luck and see you again. Thank you.

質問します。

No.1 What did Aki like the best in Mr. Green's English classes?

No.2 Why did Aki begin to study English hard?

No.3 What will Mr. Green do in his country?

繰り返します。

4番の問題に移ります。これから、中学生のRikaと留学生のMikeの対話が流れます。Rikaが2度目に発言する部分で次のチャイムを鳴らします。(チャイム音)あなたがRikaなら、このチャイムのところで何と言いますか。対話の流れに合うように内容を考えて、英語で書きなさい。では、始めます。

Mike: My father always says that getting up early is important.

Rika: I agree with him.

Mike: Why is it important?

Rika: (チャイム音)

Mike: That's true.

繰り返します。

以上で放送を終わります。適宜、次の問題に移ってください。
